Committee: Senate Committee On Judiciary  
Measure: SB579

To whom it may concern:

I am strongly opposed to felons being allowed to vote in person, or from jail, either one. Prisoners convicted of felonies have forfeited their rights as a United States citizen.

They have no right to vote. Considering they have committed felony crimes, their minds are not capable of making wise choices. They are more likely to be rebellious and revengeful. Their voting would be either for spite or be controlled by the authorities to vote whatever way will earn them special favors, or a get out of jail free card.

Often times prisoners are uneducated people and follow poor health habits which feeds an unhealthy mind. And often have used drugs that compromise the mind. Frequently, they don't know the difference between right and wrong.

You have an obligation to prevent them from voting. Lives may be saved as a result of them not voting, and that life could be your own.
