

Submitter: Judith OKeefe

On Behalf  
Of:

Committee: House Committee On Agriculture, Land Use, Natural Resources, and  
Water

Measure: HB2616

I have been a resident of Oregon since 1990 and fortunate enough to find a source for clean, wholesome milk, both cow and goat, since 2005. The dairymen and women I have known have shown the utmost care for their animals and the product they produce. Raw (living) milk has improved my physical health and that of my family. I full support this bill.
