

Submitter: Debra Brown  
On Behalf Of:  
Committee: Senate Committee On Judiciary  
Measure: SB579

Voting should not be allowed for those who break laws. Voting is a privilege . Once prisoners are out of prison, then they can be reinstated as a law abiding citizen and have all rights restored, including voting. We cannot allow people to have duplicate voting addresses either. Only current address should be in the voting database along with proof of identity and picture ID. Thank you
