

RE: Support Guaranteeing the Right to Vote, SB 579
Senate Committee on Judiciary

1/26/2023

Chair Prozanski, Vice Chair Thatcher, and members of the Senate Committee on Judiciary,

My name is Keiler Beers and I live in Portland, Oregon. I am writing to testify in strong support for Guaranteeing the Right to Vote, SB 579, which will ensure every eligible Oregonian can register to vote, update their voter registration, and vote in elections based on where they resided prior to incarceration.

The right to vote is enshrined in our constitution and fundamental to a vibrant and participatory democracy. Yet, around 12,000 people in Oregon are currently denied their right to vote, leading to the disproportionate disenfranchisement of low-income, Black, Indigenous, and Latine people. Guaranteeing the Right to Vote fulfills the promise of our democracy while improving public safety, and addressing racial and socioeconomic inequities.

I am a public defender who has worked with countless people affected by incarceration, and have seen up close that they are just as worthy of political recognition as any of us. It is unconscionable to deny them the right to participate in the political process, especially when there is widespread acknowledgment of the fundamental flaws of the criminal legal system that has incarcerated them.

I am not alone in my support for this important bill. This legislation is supported by over 40 civil rights organizations, faith-based groups, as well as dozens of currently and formerly incarcerated people. Please ensure that Guaranteeing the Right to Vote, SB 579, is passed out of committee.

Thank you,

Keiler Beers
