

Submitter: Greg Schultz
On Behalf Of:
Committee: Senate Committee On Judiciary
Measure: SB579

Dear Senators,

Please vote to reject SB 579. When those who have completed their sentences and have returned to civic life then they can vote. Until then, they should not enjoy the freedoms that the rest of Americans have. They gave up that freedom when they decided to break the law.

We pray for their rehabilitation and their return to productive, redeemed lives.
