Measure: HB2909

To whom it may concern,

Tillamook is a small rural county on the Oregon coast. We have fish, oysters, crab, and a bounty of seafood everyone who lives here loves and everyone who visits craves. As a business owner focusing on locally sourced seafood, House Bill 2909 could help OCVA's "Keeping Local Seafood Local" Campaign. At our restaurant Pacific Restaurant, We source all of our seafood within a 100mph radius, looking for the freshest seafood to support our community and create delicious locally sourced food. Consider Small Businesses and locals that support our local seafood industry.
