

I SUPPORT [HB 2911]...

Yamhill County Fairgrounds would appreciate some Grant money.

One idea is to FUND a "Bluegrass Music Festival" with plenty of great family entertainment, tasty food at the ready, craft beers and ciders and an array of vintage wines.

**There will be ample law enforcement, a No-nonsense District Attorney at the ready, to prosecute and plenty of Jail space for those who are Hell-bent to ruin the party.
