I can't think of a better person to honor with House Concurrent Resolution 12 than Frank Moore. Frank was a life member of the Native Fish Society and member of the year in 2009 where he was honored at our annual banquet and auction.

Yvon Chouinard and I joined Frank on the Elk River in Southern Oregon a few years back and on our way back to Portland Yvon said Frank was one of the great conservationists of our time. He was our Sensei, everyone who spent time with Frank learned so much.

Frank's annual donation to Native Fish Society meant a lot as it told us the work we were doing he approved of.

Frank was one of a kind and the Native Fish Society urges you to support this resolution in his honor.
