Committee: Senate Committee On Judiciary

Measure: SB579

I have been convicted of multiple felonies. I have put the past behind me and worked very hard to make changes in my life, and to make amends in the community I have committed those crimes. I have now been clean and sober and crime free for 5 years and am in the process of owning my own business and I believe my vote counts despite past choices. Reform and rehabilitation is possible and I am proof! We are people too
