Measure: HJR5

Hello, I am writing in support of HJR-5. As an avid fisherman/hunter, I am fearful of the rights trying to be taken away from me. Oregonians put millions of dollars into the economy while they are enjoying these outdoor activities. I cannot imagine our rights being taken away from us. It would be a huge loss of income from employment that would be affected from a ban on these activities. Personally, I will leave Oregon after living here for over 55 years if those rights were ever taken away, because I cannot imagine living somewhere where we cannot do what we love. We shouldn't have to worry about this. It shouldn't even be an issue. Please support these hard working men and women who are trying to protect what is ours. Our freedom should not ever be taken away. Thank you for your time and for your service to our great state. Please help to keep it great. Lonnie Lazott
