

Submitter: Thaddeus Moore

On Behalf Of:

Committee: Senate Committee On Human Services

Measure: SB91

Thousands of families in Oregon are DROWNING without adequate support for their special needs children. It is time for Oregon parents of disabled children to have direct access to the money taxpayers have dedicated to their children.

1. We must pass paid parent caregiver legislation
2. The plan should be as family-friendly as possible, with the focus on the benefits to the child

Thank you.
