

Submitter: Carly Giesen
On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB3006

Greetings!

I am an avid whitewater kayaker and river enthusiast, American Canoe Association trained and certified instructor and Swiftwater Rescue technician. I care deeply about safety on the water and fully support this bill. I think it is extremely important to instill safe habits when people are still young, so they can grow up happy and healthy and model safe behaviors to others. Implementing this legislation will save lives.

Thank you.
