On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB3006

Dear House Judiciary Committee,

I'm writing in support of HB 3006 which prohibits operating a boat carrying child under 16 years of age unless child is wearing properly sized and secured personal flotation device.

It's critical important that we do all we can to to protect Oregon's children who are recreating on our lakes and rivers.

Sincerely,

Michael Carrigan
