

Submitter: Belinda Covarrubias

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB3006

I am an RN in Springfield Oregon who has worked both ICU and ER and have been involved with drowning or near drowning victims. I'm also a canoeist and rafter and nothing makes me more worried than watching young people on float tubes without life jackets in our very cold and swift rivers that are also filled with logs or trees. I support this bill.
