

**[SCR 2]: Senators Thatcher, Lieber, Manning, Jr. and Knopp**

There are no words or compilation of words that have been devised by anyone who can adequately convey my gratitude to our men and women in uniform for their sacrifices to Oregon and to the United States of America.

The Oregon State National Guard have served our nation with distinction, honor and valor; serving some Oregonians just taxed your politeness. The rest of us are extremely grateful.

David S. Wall  
Mr. Oregon Concur.
