Measure: HJR5

I'm urging a yes vote on HJR5.

I've been a lifelong hunter in Oregon, raised my children on wild game and thought them to fend for themselves. Over the years the anti hunting animal rights groups have repeatedly attacked my right to hunt and provide for my family. Enough is enough! They use pseudo science to advance their agenda and sadly the media and even odfw buys their lies and propaganda. These organizations are well funded and their goal is to eliminate hunting make no mistake about it!

HJR5 doesn't eliminate the ability of the state to establish reasonable regulations. Oregonians deserve the right to fish, hunt, trap, and gather wild foods to sustain their families. Vote yes and let Oregon citizens decide this themselves!
