Selling school children short?

(b) "Health care provider" does not include any individual listed in paragraph (a) of this

subsection when providing services as an employee of or under contract with:

- (A) A school district, as defined in ORS 332.002;
- (B) A public charter school, as defined in ORS 338.005; or
- (C) An education service district, as defined in ORS 334.003.

According to Bill text interpreters have to be certified under (a) but not (b) above, that makes no sense. If person hired by the school district, public charter school, and/or ESD as an interpreter should be certified, and have the educational credits in the language of employee deems proficient to interpret.
