

Submitter: Aaron Adams

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR5

The ability to hunt, fish, harvest, and gather is as fundamental to the human condition as breathing. I have been lucky enough to live in Oregon all my life, and to have been able to do all the things this bill will protect. Please show your support for this bill and ensure that future generations can continue to have the same opportunities I and so many other Oregonians have enjoyed.

Thank you
