Example A: My name is [NAME] and I'm writing to urge you to oppose HB 2505, a sales tax that will decrease consumer choice by financially pressuring small businesses. In [PLACE] where I live I can trust that cannabis products are tested and labeled, tracked and legal. I'd like these things to continue to be true!

Please oppose any sales taxes or tax increases. It's just not the Oregon way.

Example B: My name is [NAME] and I'm writing to ask that you to oppose HB 2505 and don't let it move forward. Increased sales taxes will only hurt my business adding more financial stress in an already horrible market. My company [NAME] in [PLACE] employees [#] and I am proud of that but I am scared that if this passes I would have to lay folks off to absorb the costs. Simply, this bill would make it harder for us to be price competitive with the illicit market, create more financial instability for my business, and hurt my ability to innovate and expand.

Please oppose any new cannabis sales taxes or tax increases. It's just not the Oregon way.
