Committee: House Committee On Rules

Measure: HJR5

I strongly urge the Oregon House Committee on Rules to OPPOSE HJR5.

This resolution sets a dangerous precedent to Oregon's democratic process, and would deny Oregonians the right to use the ballot initiative process to protect our wildlife and our ecosystems.

This resolution would codify a right to cause harm by a small segment of special interests who don't represent the majority of Oregonians.

Thank you for your consideration.
