

Submitter: Kim Edinger

On Behalf Of:

Committee: Senate Committee On Education

Measure: SB767

My children have been attending Lewis and Clark Montessori Charter School for the last 6 years and we have been SO happy with the education they have received. The teachers are incredible and my kids will be absolutely heart broken if this bill passes. These last few years have all ready been hard enough, please don't pass a bill that will take their school away.
