

Submitter: Aleah Camara Peredo

On Behalf Of:

Committee: Senate Committee On Education

Measure: SB767

Please don't use Lewis and Clark Montessori Charter School. Its very important to me and maybe all of us in this school if we relocate to some were I am going to be really sad. I grew up in Lewis and Clark Montessori Charter School. I don't want to move and I want us to be allowed to bring pets and plants.
