Measure: SB767

We love Lewis & Clark Montessori Charter School!

Our children are so happy here as are so many of the students who love this very special school.

This measure is harsh and unfair and does not take into consideration all situations, such as ours.

We are forced to relocate due to lease termination by our sponsoring district, GBSD. It would be ideal for us to remain inside GBSD boundaries but given an extremely limited time frame and lack of existing facilities to accommodate 17 classrooms our choices are limited.

The proposed new facility is located less than 1000 ft from the GBSD boundary.

We would like to turn an unfortunate situation into a positive impact by moving from a rural location that is inaccessible by public transportation to one that opens access for enrollment to underserved, more diverse populations in Rockwood and the surrounding area while also continuing to serve our current families. Greater access & diversity is a key component of our current Strategic Plan.

Lewis & Clark Montessori Charter School has been in existence for over 14 years.
