

Submitter: ksenya sharipoff

On Behalf Of:

Committee: Senate Committee On Education

Measure: SB767

I ask you today to please oppose SB767. I reside in the Woodburn school district, and my child attends a school within the Estacada school district. The Woodburn schools have failed my elementary aged child, and Estacada helped him love school again. SB767 will not fix our school system, it will greatly limit and hinder our children's education.

Thank you
