On Behalf Of:
Committee: House Committee On Rules
Measure: HJR5

As someone who fishes, hunts, and forages on Oregon's public lands, I strongly support HJR 5. Participating in these activities allows me to feed my family through natural, local, and sustainable means while helping me to reduce my footprint and reliance on commercial food systems. Fishing, hunting, and foraging are fundamental to the culture and history of Oregon and it is time that we cement them as rights for generations to come. Thank you for your consideration and for taking the next step to protecting my way of life as an Oregonian.

Sincerely,
Jordan Ng
