Measure: SB767

I OPPOSE SB 767! I love my work at Lewis and Clark Montessori Charter School. It is a nurturing, caring educational environment benefitting over 400 students. This bill will jeopardize the future of our students, staff and community. End this bill so we can have a permanent home with a positive impact on our community for years to come. I love my work and want to continue working at Lewis and Clark Montessori Charter School for many years.
