On Behalf Of: Lewis Clark Montessori Charter School
Committee: Senate Committee On Education
Measure: SB767

I think that our school should be able to move schools because our school has tried hard to find another building for us to move to and for us to learn in. It would be fun for the kids and for the teachers. New building,new learning experiment. People should let Lewis in Clark Montessori Charter School move buildings. Lewis In Clark has also been in this building for years so i feel like it would be a good change.Maybe even a healthy one. So that's why i think that Lewis in Clark should be ABLE to move buildings.
