

Submitter: Christin Isik
On Behalf Of: Lewis and Clark Montessori Charter School
Committee: Senate Committee On Education
Measure: SB767

We love Lewis & Clark Montessori Charter School, because it has had a very positive impact on our children and family. The school is forced to relocate due to lease termination by our sponsoring district, GBSD, and the proposed new facility is located less than 1000 ft from the GBSD boundary. The new location will serve the diverse population in Rockwood and the surrounding areas, while also continuing to serve current families like us. Lewis & Clark Montessori Charter School has been in existence for over 14 years, and it's the only public Montessori school in our area.
