

Submitter: Melanie Draper

On Behalf Of:

Committee: Senate Committee On Education

Measure: SB767

OPPOSE SB767. Please know that your constituents value school choice. The waiting lists for charter schools of parents seeking alternatives for their children show us that there is a distinct demand for charter schools.

72% of Oregonians support school choice, including 60% of Democrats. As elected officials, it is important to represent the views of your constituents, the majority of whom likely support school choice and charter schools. By opposing SB 767, you can demonstrate your commitment to representing the will of the people and preserving their right to choose their child's education. Thank you and please oppose SB767.
