On Behalf Of:  
Committee: Joint Committee On Transportation  
Measure: HB2137  
To Whom It May Concern:

I am writing in support of a 3rd bridge in Salem.

Having a 3rd bridge would be an economic boon not only to Salem and Keizer, but it would also serve the broader community which lives, works, and commutes west of the Willamette River.

In addition to providing much needed relief to the existing traffic load, a 3rd bridge would also help serve developments not yet built in West Salem because much of the developable ground within the Urban Growth Boundary for Salem and Keizer lies in West Salem.

Please support the 3rd bridge! We need it!

Sincerely,

Jordan Schweiger
