Measure: SB767

All four of my children have attended Lewis and Clark Montessori Charter School, and are all thriving there. If Lewis and Clark Montessori were to shut, our family would home school and probably leave this district. Lewis and Clark Montessori is a golden example of a responsible charter school, and my family would be devastated if it were closed due to a stupid technicality.

I am especially happy about their new move (although not originally in the plan). I love that their love of children and special care for their community will be located in a place that is more accessible to low-income families. PLEASE do not pass this bill!!
