On Behalf Of: Lewis and Clark Montessori Charter School  
Committee: Senate Committee On Education  
Measure: SB767

Lewis and Clark Montessori Charter School is a vibrant, loving, inclusive community that is being forced to relocate by the Gresham-Barlow School district with very little time to find a new building. Our charter would happily stay in the district but is being forced to move. The only building available on such short notice that meets our school's needs is literally just feet outside the GBSD boundary. Please do not destroy a valuable school community when it's the school district forcing us to move. The school has meant so much to my family and others. Please don't force our school (and others like it) to close!
