

Submitter: Darren Hippenstiel
On Behalf Of: Lewis and Clark Montessori Charter School
Committee: Senate Committee On Education
Measure: SB767

To whom it may concern; I am a parent of a 4th grade student that attends Lewis & Clark Montessori Charter School in Damascus, Oregon in the Gresham Barlow School District. I am writing in opposition to SB 767.

I empathize with the Southern Oregon community experiencing issues with what sounds like an out of state organization attempting to establish a NEW charter school. However passage of SB 767 would affect more than just their community, and potentially thousands of students and families throughout the State of Oregon.

I encourage you to vote NO on SB 767.
