

Submitter: William Ramirez
On Behalf Of:
Committee: House Committee On Rules
Measure: HJR5

Vote No on HJR 5 – There is no Constitutional right to hunt.

There is no constitutional right to hunt, to fish, to harvest wildlife and to gather wild food. Fish and wildlife belong to all the people of Oregon. Not just to the people who fish and hunt. Do not deprive the citizens of Oregon the right to determine these issues in an election by introducing this provision into the Oregon constitution.
