Lewis and Clark Montessori Charter School is being forced to relocate due to a lease termination. While we would prefer to stay inside the GBSD boundaries, our choices for relocation are limited. However, we are making the best of a hard situation and have found a new facility that supports the inclusive vision our school has for extending our reach to underserved and more diverse populations - one that is accessible via public transportation.

Please support Lewis and Clark Montessori Charter School in continuing its legacy to support our community, families, children, and staff.
