Measure: SCR4

I am writing this letter in support of SCR 4. I am the Sheriff of Sherman County. Before I became sheriff, my father was the sheriff of Sherman County. Douglas Smith was his deputy. Douglas was not only a family friend, but a life-long community member here in Sherman County. He served this community honorably and ultimately lost his life protecting it. Sherman County and the State of Oregon owes him a debt and the least we can do is memorialize his service and sacrifice.
