Measure: SB767

Our charter school, Lewis & Clark Montessori, is being forced to relocate in a very short time frame due to lease termination by our sponsoring district, Gresham-Barlow.

It would be ideal for us to remain inside GBSD boundaries but given an extremely limited time frame and lack of existing facilities to accommodate 17 classrooms, our choices are limited.

We have found one possible location which will support many of the school's needs. This proposed new facility is located less than 1000 ft from the GBSD boundary.

We would like to turn an unfortunate situation into a positive impact by moving from our current rural location that is inaccessible by public transportation to one that opens access for enrollment to underserved, more diverse populations in Rockwood and the surrounding area, while also continuing to serve our current families. Greater access & diversity is a key component of our current Strategic Plan.

Lewis & Clark Montessori Charter School has been in existence for over 14 years.

We are wanting to continue to thrive for many more years.
