

Submitter: Aileen L
On Behalf Of: Lewis and Clark Montessori Charter school
Committee: Senate Committee On Education
Measure: SB767

Hi, I am a 6th grader at Lewis and Clark Montessori Charter school. I have been at this school since 1st grade. I really dont want this bill to pass because I have so many good memories here and I love the way they teach here. This will effect my learning skills a lot and I don't want to lose my friends and my very good teachers.
