

Submitter: Erin Lloyd
On Behalf Of:
Committee: Senate Committee On Education
Measure: SB767

I urge you to oppose this bill for the following reasons:

Charter schools offer parents an alternative to traditional public schools without the financial burden of leaving the public education system.

The waiting lists for charter schools of parents seeking alternatives for their children tell us that there is a clear demand for charter schools.

72% of Oregonians support school choice, including 60% of Democrats. As elected officials, it is important to represent the views of your constituents, the majority of whom likely support school choice and charter schools. By opposing SB 767, you can demonstrate your commitment to representing the will of the people and preserving their right to choose their child's education.

Please do the right thing by standing with and representing your constituents!
