Committee: House Committee On Rules

Measure: HJR5

My name is Tyler Dungannon and I am testifying as an individual supporting HJR5. Oregonians have a long standing heritage of providing food for their families in a sustainable manner. Annually, our ability to hunt, fish and gather wild foods are threatened by groups with unreasonable ethical standards. As conservationists, I believe hunters and anglers deserve a constitutional right to pass our heritage on to future generations. Thank you for the opportunity to comment. -TD
