On Behalf Of: Lewis and Clark Montessori Charter School  
Committee: Senate Committee On Education  
Measure: SB767

I go to Lewis and Clark Montessori Charter School. Please do not let bill 767 passthrough because I have been going to this school since I was five and this school has helped me learn in it's own way. I am a social person, it feels great that I can talk to my friends at my table while also working. I feel like if the school closes and I have to go to a public school, I will lose my freedom of being able to get up and go to a different spot with different friends to do different work with. Being at this school is so much fun. I would hate to have to move. I would be lonely at a new school. I would lose some of my friends. Soooo... Please for the sake of thousands of family in Oregon, don't pass bill 767 through.
