Thank you for this opportunity too submit public testimony on HB 2137 which Establishes Willamette Bridge Task Force.

I have lived in West Salem for over 28 years. With the many housing developments and High and Middle School builds in West Salem, the traffic congestion has become a topic which makes commuting too work, conducting business and traffic flow a major issue.

I encourage you too vote yes on HB 2137.

Thank you,
Debora Melendy
