RE: Support the Oregon Sign Language Interpreter Licensure Bill

Dear Representative Reschke,

Our names are David and Brigitte Frank and we are parents of a deaf adult daughter and deaf son-in-law. We reside in your district. Our deaf daughter and her deaf husband live in another district in Deschutes County.

This Bill protects the Deaf, DeafBlind, and Hard of Hearing communities by establishing a licensure requirement for Sign Language interpreters. Currently in Oregon, anyone can legally represent themselves as a Sign Language interpreter whether or not they are qualified and provide services in settings such as emergency press-conferences, drug treatment facilities, or attorney-client meetings. This results in unqualified or unethical interpreting services, violating the rights of Deaf, Deafblind, and Hard of Hearing Oregonians and potentially causing great harm to consumers. Along with the risk to the consumers, hiring entities such as government agencies are at risk of lawsuits if they hire interpreters who are unqualified. Licensure will establish standards for the profession, as well as protect consumers and hiring entities by requiring licensure to work as a Sign Language interpreter in Oregon. Over 30 states have established such requirements for Sign Language interpreters and the passing of this bill would ensure Oregon is in line with national best practices.

As parents and inlaws of two deaf individuals who require competency from sign language interpreters, we understand the importance of the passage of this bill. We have witnessed the frustration when our family members are not provided interpreters who have adequate sign language skills and/or do not understand privacy rights particularly related to medical issues. Having previously resided in more metropolitan areas our experience is that Deschutes County is sadly in need of legislation to ensure the rights of deaf adults.

I respectfully ask you to support the Oregon Sign Language Interpreter Licensure Bill because this law will protect the rights of Oregon's Deaf, Deafblind, and Hard of Hearing citizens.

Sincerely,

David and Brigitte Frank
