

Submitter: Suzi Given
On Behalf Of: Pinehurst School District
Committee: Senate Committee On Education
Measure: SB767

Pinehurst School, our small public school is a neighborhood feeder school for the Ashland School District. Our Greensprings community has been fortunate to being able to school our neighborhood children at a school which is close to each student's home. Pinehurst School has produced strong students who go on to excel at Ashland HighSchool. Please correct this "loop-hole" in prior legislation. I vote to support your current legislation.

Suzi Given, Pinehurst School District Resident and voter.
