

**I SUPPORT [SCR 1].**

Yamhill County's County Clerk (Ms. Keri Hinton) has assisted me on many occasions and I have sincerely "Thanked" her each and every time

I have not had any contact with election workers in Yamhill County.

I would also like to sincerely "Thank" our most industrious and dutiful Secretary of State.

Her professional and judicial conduct of not allowing a "New York" resident from being a candidate for Governor in the last election cycle, predicated on "resident status in Oregon," was not only masterful but, the decision still has me chortling on to this very day.

A resounding, "YEEHAW" for Yamhill County's County Clerk!

...and...

A DOUBLE resounding, "YEEHAW" our Secretary of State!

David S. Wall  
Mr. Oregon Concurs.
