

Submitter: Kadavil Satyanarayan
On Behalf Of: SB576
Committee: Senate Committee On Human Services
Measure: SB576

Hello,

My name is Kadavil Satyanarayan. Have been an Oregon resident since 1976. I practiced medicine for 30 years in Oregon before my retirement.

I practiced in the field of Physical Medicine and rehabilitation.

I am writing in strong support of SB 576. It would be a great boon for individuals with severe disabilities who need continued medical assistance to remain employed.

A large number of individuals who have gone through extensive rehabilitation could enter the job market and become tax payers if barriers are removed. I believe that SB 576 would remove one such barrier. It will greatly enhance the emotional and physical well being of individuals with disability.

Thank you for your time.
