

Submitter: Corey Kind
On Behalf Of:
Committee: House Committee On Rules
Measure: HJR5

I should be able to hunt and fish as long as I am following our licensing rules with ODFW. Hunting, fishing, foraging and raising our own animals for meat are the best food options out there and the most nutritious for our families. It's my right to choose how I feed my family and I want to make sure it stays that way so I am supporting this constitutional amendment.
