

Submitter: David Klaus
On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB2572

I am writing you today to ask that the language of this bill be clarified. As written, this bill would put any three or more persons in legal jeopardy who train together for purposes of neighborhood defense or are members of private security firms. One group that this bill would not target is the radical group Antifa, who obviously have a command structure and regularly bring violence with weapons and explosives. Therefore, I respectfully ask that you either modify the language to include Antifa or kill the bill entirely.
