SUBJECT: Support for HB 2696, the Oregon Sign Language Interpreter Licensure Bill

To the Chair Nosse, Vice-Chair Goodwin, Vice-Chair Nelson, and members of the Committee: I am writing to urge this Committee to support HB 2696.

My name is Deborah M. O'Hara and I am a Sign Language interpreter who resides in your district.

This Bill protects the Deaf, DeafBlind, and Hard of Hearing communities by establishing a licensure requirement for Sign Language interpreters. Currently in Oregon, anyone can legally represent themselves as a Sign Language interpreter whether or not they are qualified and provide services in settings such as emergency press-conferences, drug treatment facilities, or attorney-client meetings. This results in unqualified or unethical interpreting services, violating the rights of Deaf, Deafblind, and Hard of Hearing Oregonians and potentially causing great harm to consumers. Along with the risk to the consumers, hiring entities such as government agencies are at risk of lawsuits if they hire interpreters who are unqualified. Licensure will establish standards for the profession, as well as protect consumers and hiring entities by requiring licensure to work as a Sign Language interpreter in Oregon. Over 30 states have established such requirements for Sign Language interpreters and the passing of this bill would ensure Oregon is in line with national best practices.

I personally have Deaf family who have been ill served because they were provided with sub skilled interpreters having no business accepting assignments they were clearly unsuited for.

I respectfully ask you to support the Oregon Sign Language Interpreter Licensure Bill because this law will protect the rights of Oregon's Deaf, Deafblind, and Hard of Hearing citizens.

Sincerely,

Deborah M. O'Hara
