

Submitter: Sally Klein  
On Behalf Of: Law abiding citizens  
Committee: House Committee On Judiciary  
Measure: HB2572

To Judiciary Committee Members,

This body did little to address the protection of life and property against the open siege of Portland by the group who self identifies as Antifa and finds ways to use every object from bricks to umbrellas as weapons.

SB 2572's attempt to redefine civil disorder into the category of private paramilitary organizations is too misleading and may by your definition capture actual legitimate organizations. It should be removed from consideration.

Please choose to stick with true criminal behaviors in your phrasing please. Now that thugs like Antifa are given such free rein in our state, your goals should not be continually focused on dragging law abiding citizens under the bus.

Thank you,  
S. Klein

P.S.

I will remind you:

I do solemnly swear (or affirm) that I will support and defend the Constitution of the United States against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties of the office on which I am about to enter: So help me God.
